---

Passionate Front End Developer with a solid foundation in HTML, CSS, JavaScript, and Bootstrap. Skilled at building responsive and user-friendly web interfaces with attention to detail and clean design. Currently expanding my skills in React and Node.js to develop modern, full-stack web applications. A logical problem solver and effective team player, always eager to learn and grow in the tech field.

## Education

### Bachelor of Management Information Systems at Delta Higher Institute for Computers and Information Systems, Mansoura, Egypt

September 2019 - May 2023

**Grade:** Good

Studied Management Information Systems, combining business management and information technology to develop problem-solving and analytical skills in data systems and web technologies.

## Skills

HTML, CSS, Bootstrap, Tailwind, Javascript, Figma

## Volunteering

### Member – Student Activities Committee at Delta Higher Institute for Computers and Information Systems, Mansoura, Egypt

October 2021 - May 2022

## Projects

### [SkillHub](#) • ↗

Built a fully responsive online learning website using HTML, CSS, JavaScript, and Bootstrap. The project showcases a modern and user-friendly interface where learners can explore courses in programming and UI/UX design. It was developed as a personal training project to enhance front-end development skills and apply real-world design concepts.
